EXPERIENCE

Senior Product Designer

- Proton** • Feb 2022 – Present
- Design Lead of Proton Pass and Proton Authenticator.
 - Working closely with engineers, designers and researchers, shaping the core experience of Proton products.

Independent iOS Developer

- Overboard** • May 2024 – Present
- Developed the app from concept to successful App Store launch by defining the product vision, designing the end-to-end user experience, and implementing the app using Swift.

Interaction Designer at Google

- Randstad** • Mar 2021 – Jan 2022
- Led UX design for multiple high-complexity projects within Chrome DevTools.
 - Simplified complex technical challenges into clear, intuitive user experiences.
 - Working hands-on with the Debugging team on the toughest challenges.

Senior Product Designer

- Yokoy** • Apr 2020 – Dec 2020
Acquired by TravelPerk in 2025
- Led design projects and worked collaboratively on a range of digital products.
 - Established the product design process within the company.

Senior Product Designer

- Beekeeper** • May 2015 – Mar 2020
Acquired by LumApps in 2025
- Responsible for interaction, visual and user experience design from early startup to scale-up stages of the business.
 - Ideated, produced and presented project deliverables such as user flows, wireframes, and concept designs to demonstrate new features and projects.
 - Collaborated closely with PMs and engineers to bring ideas from conception, through implementation to adoption.

UX & UI Designer

- Scanbot** • Nov 2012 – Apr 2015
Acquired in 2020
- Collaborated with cross-functional teammates from product, engineering and marketing teams.
 - Scanbot became one of the leading apps for mobile scanning and quickly gained trust of more than 10 million users.
 - Designed the app that was featured numerous times on the App Store and received multiple "Editor's Choice" awards from Apple.

Lead Designer & Founder

- FRIO** • Mar 2009 – Oct 2012
- Founded and bootstrapped a successful design agency.
 - Managed a wide variety of cross-media projects involving interaction design, branding & web development.
 - Collaborated and managed expectations with external stakeholders ranging from small businesses to big enterprises.
